

**The Planning and Network Advisory Committee (PNAC) is a subcommittee of Tropical's Board of Trustees.**

**PNAC is comprised of clients and family members of persons with mental health and or intellectual and developmental disabilities.**

**Recommendations that PNAC reported to the Board and the Board specifically acted upon:**

PNAC suggested that the future Cameron County location be in Harlingen due to its easy access from several towns.

PNAC's suggested services for the new Cameron County location were included in the "Needs Assessment" provided to the Board. That list of services was approved for the new Facility at the July 2025 Board meeting.

PNAC recommended to the Board that TTBH look at the feasibility of a LOSS Team for the Rio Grande Valley. The recommendation occurred during the January 2026 meeting.
